A little bit helps. If you would like to help us help the animals please call Amanda Smith at 815-474-5220 or by email: abandonedwildbabiesrescue@hotmail.com.

Thank you in advanced for your participation! Please remember Abandoned Wild Babies Animal Rescue is NOT a non for profit organization nor is AWBAR attached to any other organization. This is out of love we have for animals.

“Rehabber” is short for rehabilitator. A rehabilitator is someone who attempts to restore another to a normal or useful life by using education and therapy. Therefore a wildlife rehabber is a unique individual that contributes his or her time and money in the effort of restoring injured or orphaned wild animals.
